

Apostles vs. Apostles?

The following was originally published on February 2, 2015 A.D. It tells of the struggle some have in discerning their role as an apostle of Our Lady, and that often some do not feel comfortable in referring to themselves as an apostle of Our Lady. Aren't the bishops apostles? A Friend of Medjugorje explains more...

Following is Our Lady's message of February 2, 2015, given on the day of prayer for non-believers:

?Dear children! I am here, I am among you. I am looking at you, am smiling at you and I love you in the way that only a mother can. Through the Holy Spirit who comes through my purity, I see your hearts and I offer them to my Son. Already for a long time I have been asking of you to be my apostles, to pray for those who have not come to know God's love. I am asking for prayer said out of love, prayer which carries out works and sacrifices. Do not waste time thinking about whether you are worthy to be my apostles. The Heavenly Father will judge everyone; and you, love Him and listen to Him. I know that all of this confuses you, even my very stay among you, but accept it with joy and pray that you may comprehend that you are worthy to work for Heaven. My love is upon you.

**Pray that my love may win in all hearts,
because that is the love which forgives,
gives and never stops. Thank you.?**

Apostles vs. Apostles?

You Be My Apostles

by A Friend of Medjugorje

??I am among you?? Why?

**To give the world a new mentality. Change
is the essence of the message of Our Lady.**

**Change of mentality is metanoia. Metanoia
means conversion. Mathematical problems
of addition can only be solved by the
conversion of numbers to the correct,**

single answer, which is the sum. The sum going to Heaven vs. hell is not the correct math Heaven wants. Our Lady is here for a long time to correct the sum of conversion.

??am smiling at you?? Marija has told us on several occasions that Our Lady has come in the Bedroom of Apparitions* smiling here at Caritas, Alabama. Our Lady is in another realm of superior intellect, just like adults are in another realm of intellect than the little children around them. We, as adults, have all seen little children say things, do things, that make us break out into a smile and sometimes laughter. How must we appear to Our Lady when we do things that please

Her through childish innocence.

??asking of you?? Our Lady is not asking you solely to be an apostle, but rather of you, of who you are, of your very being, your charisms, to be an apostle.

Medjugorje visionary, Marija, was asked once to go to France and be like Joan of Arc. She strongly responded, I am Marija. Our Lady wants who you are, yet changed into a new being.

??said out of love, prayer which carries out works and sacrifices?? It is not only going to Mass and praying rosaries. These are incomplete efforts without works and sacrifices

.

??Do not waste time thinking about whether you are worthy to be my apostles??

What a relief. How unburdening it is for us to be told this is a waste of time. Our Lady wants, instead, whatever She can get from us, what we are, because spending time thinking about being unworthy keeps us stymied in being an apostle and doing apostle?s work. If one dwells on unworthiness, one will tend not to perform the duties of being an apostle. Our Lady does not have time for this. She wants action, movement and advancement, more active than satan?s actions, movement and advancement. Don?t squander time thinking about whether you are worthy to**

be Our Lady's apostles, rather forget your unworthiness and act.

These words are confusing because we are unworthy. To be worthy, is to act worthily.

Our Lady is calling us to a higher level.

Your job is to be employed by Heaven. Our

Lady wants you punching in the time clock,

working to be a good, active, invigorated,

and innovative employee. ?She?s Boss.?

God is the owner of the company of

Heaven. Our Lady is increasing the

workforce! You being an employee trainee

is why the Boss has stayed at Her job for so

long. She is expanding the product and

needs you to market the messages to all

cultural markets, through your

salesmanship, through your life! Who buys

into a product that the salesman himself does not use? If salesmen are selling the boss' product line, why would another buy what the boss trains the salesman to sell, if the salesman is using the competitor's line of products and is using what the other competitor produces? You cannot work for one and use the product of another.

Heaven is in production of the messages and their distribution. Hell is in production of the world's messages and their production. You are showing your

Employer who you truly work for by what product you use, not the one you try to sell.

The product of the messages is used in everyday life, of which the witness of a good salesman makes others want the product you use and benefit from. This makes you worthy to go to ?work for

Heaven.?

**Your business motivation meeting for
today's work is:**

- 1. Love forgives**
- 2. Love gives**
- 3. Love never stops**

**Your Woman Boss is motivating you,
inciting you to be properly trained. Know
your product by using it yourself and
following today's motto of February 2,
2015. That is:**

*?Now go out there today, pound the street,
and bring me new customers. I want my
product to attract all customers, as the latest
and greatest of what I am producing against*

literal with you, that my love may win in all hearts. I want you to be purely committed to my words, pure as the purity in which I give them to train you. Believe in them.?

To think, 'I'm not worthy' is defeatism.

'I know that all of this confuses you, even my very stay among you, but accept it with joy and pray that you may comprehend that you are worthy to work for Heaven?'

On Being 'Confused?'

Confused?

Calling us apostles?

Apostles are the Bishops!

This is very confusing.

How can we be apostles if the bishops are apostles?

Why would we not have the mentality that, *?who are we to be apostles??* It is the bishops' job. Nonetheless, why risk the ire of the successors of Peter which are the Bishops of every diocese across the world today? Will they turn against us? Who do we think we are? This is why Our Lady is with us this long, and Her being here this long is why many bishops discount the apparitions. After all, it is logical, even

**theological, for them to think, ?Come on,
33 years, everyday? Multiply the visionaries
each have an apparition, that is well over
30,000 apparitions.? Can anyone scoff at
what many shepherds, apostles/bishops
think of this? And then, we come along and
we are told by the Virgin Mary, we are the
apostles! Is this not confusing to them and
us? Is this irritation of the true
apostles/bishops not confusing to both? A
problem? As Our Lady?s apostles, how do
we be in unity with the bishops/apostles,
yet two? Our Lady appearing every day?
Confusing. Perhaps the word confusing is
an understatement and not understood,
until you do what Our Lady says. Accept it.
?You are an apostle.? Don?t be timid.
Don?t think you must apologize.
Medjugorje is real. Just do what you have**

to do, say what you have to say!

Why is Our Lady with us so Long?

If you pray to comprehend, you would know Our Lady is here to rebuild the Church and thereby the world. Saint John Paul II, at a gathering of the new movements of the Church with other major orders of the Church said, "The laity will renew the Church. The Franciscans and Dominicans can help." If you pray, you would comprehend the apostles/bishops are to help us. We need them for the administration of the sacraments, the teaching of the Church, etc. Yet, and that is a big "yet", we are the apostles of Our

**Lady, the apostles of the Gospel of Mary
who will rebirth the Church and the world.
The bishop/apostles can help, but renewal
will come through Our Lady's apostles.
Our Lady brings a new mentality and
vitality for and to the Church, through Her
apostles, that many in the Church cannot
understand or are not open to. The Church
is in a quagmire that it cannot escape from
without Heaven's intervention through
Our Lady. The Church, always the voice
for moral authority, is sluggish, not able to
respond to modernism effectively, even if
using modernism's methods. Its structure
prevents the needed response. While this
structure is necessary, still in these modern
times, it is not able to do what Our Lady's
apostles will be able to do. That is to strike
like lightning, to go immediately wherever**

**we need to go. No barriers, no politics,
unhindered to convert the world. This is
what St. Louis de Montfort said, referring
to Our Lady creating an army of Her
apostles to convert the world:**

*?They shall be clouds thundering
?detaching themselves from everything and
troubling themselves about nothing, shall
shower forth the rain of the Word of God
and of life eternal. They shall thunder
against sin; they shall storm against the
world; they shall strike the devil and his
crew; and they shall pierce, through and
through, for life or for death, with their two-
edged sword of the Word of God, all those to
whom they shall be sent on the part of the
Most High.*

?They shall be the true apostles

word and the might to work marvels and to carry off with glory the spoils of His enemies. They shall sleep without care, in the midst of the other priests, ecclesiastics, and clerics; and yet they shall have the silvered wings of the dove to go, with the pure intention of the glory of God and the salvation of souls, wheresoever the Holy Ghost shall call them.

?? fearing and listening to no mortal, however influential he may be. They shall have in their mouths the two-edged sword of the Word of God. They shall carry the Crucifix in their right hand and the Rosary in their left?

?These are the great men who are to come;

*but Mary is the one who, by order of the
Most High, shall fashion them for the
purpose of extending His empire over that of
the impious, the idolaters and the
Mahometans??*

**God cannot move the Church at the speed
necessary to counter modernism without
damaging the very structure of the
Church. What is necessary for the Church
to do is impossible for the Church to do. It
is like the worldwide navy (the Church)
and the Navy SEALS (Our Lady's
apostles). The Church in its vastness and
its necessary makeup cannot strike like
Our Lady's apostles, no more than the
Navy in its vastness and necessary makeup
can strike like highly trained Navy SEALS.**

**Yet the Navy has might like the Church,
but not the agility get the job done like a
small SEAL team. Still, the SEAL team
needs the vastness of the navy's support,
not their interference. Our Lady's
apostles, likewise, need the Church's
support, not interference. In that way, Our
Lady's apostles will do what St. Louis de
Montfort prophesized.**

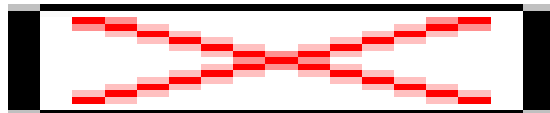

**Yet, it cannot happen without the
apostle/bishops. This is not about
disrespecting the bishops, their positions,
their authority, or challenging them, etc. It
is about comprehending our positions and
acknowledging the authority Our Lady has
and is giving to us.**

How does it Work ? the Bishops are Apostles and We are Apostles?

This may give pause, even insecurity, to many. Our Lady says, "don't waste your time thinking about it." Accept it. Whether it is you or the bishops, Our Lady is saying, "Go." Go now to the ends of the earth and witness. You are the answer for the Church and the world. Do not hesitate! Do not stop your Medjugorje meetings! Do not stop your spreading the messages! No, Heaven mandates that we are not going away. No, Heaven mandates that we will not be stopped. No more than the early Christians

were stopped, even though everything appeared it would be so! The more they were crushed, the more their numbers grew. You can join Our Lady as an apostle, the bishops can help us. Heaven's mandates are upon us. We cannot be obedient to erred thinking and be obedient to Heaven. It is time for a decision. Don't miss the second most glorious moment in time, the time of Mary, who is giving us the Gospel of Mary, who is here to literally raise up apostles of the last days. Don't waste a moment thinking anything else.

Praying you comprehend,

**** Someone approached a Friend of
Medjugorje, excusing himself of his
faults, saying God loves me as I am.
A Friend of Medjugorje responded,
"Scripture relays God loves you as
you are, true, but He loves you too
much to leave you as you are."**

The first year of the apparitions, 1981, gives us a rare glimpse of visionaries seeing Our Lady together. A Friend of Medjugorje
1996:

?In some spiritual sense, Our Lady walks the earth as She did years ago. Marija has received kisses from Our Lady. Ivanka has held Our Lady's hands. She has hugged Her. Our Lady has been here thousands of times.

*?When we hear Jakov say Our Lady is a great sign
; when we hear Vicka say She goes back up into the sky
; when we hear Mirjana say a woman
, a mother, a friend; when we hear Ivan say on the mountain
in the light of the sun; when we hear Marija say
She has twelve stars about Her head
, so bright that they can't be described adequately; when we hear
was told by Our Lady, ?I thank you for giving your life to all
because Ivanka had just given birth to a child*

Can it not be said that to do what Our Lady asks in the above

read Sacred Scripture to discover why She is coming? The message we hear through the visionaries of Medjugorje?is this not John's message two thousand years ago when he writes of our present? hear John's writings of Revelation Chapter 12 when we hear of the "great sign"; when we read Her going back to Heaven in the clouds; when we read about "a woman"; when we read She is "clothed in purple and scarlet"; when we read "on Her head a crown of twelve stars"; when we read "She was with child."

All these are exact words of the Holy Bible which are the exact words heard by the Medjugorje visionaries of Our Lady when She comes.
