

Dear Apostles

*The following was originally published on
May 2, 2015 A.D. It is a continuation of a
Friend of Medjugorje's understanding of
Our Lady's call to Her apostles and the
answering and recognizing of their call.*

**Our Lady of Medjugorje said on May 2,
2015:**

**?Dear children, open your hearts and try
to feel how much I love you and how much
I desire for you to love my Son. I desire for
you to come to know Him all the better,**

because it is impossible to know Him and not to love Him - because He is love. I, my children, know you. I know your pain and suffering because I lived through them. I laugh with you in your joy and I cry with you in your pain. I will never leave you. I will always speak to you with motherly tenderness. And I, as a mother, need your open hearts to spread the love of my Son with wisdom and simplicity. I need you to be open and sensitive to the good and mercy. I need you to be united with my Son, because I desire for you to be happy and to help me to bring happiness to all of my children. My apostles, I need you to show everyone the truth of God, so that my heart, which suffered and today suffers so much pain, can win in love. Pray for the holiness of your shepherds, so that in the

**name of my Son they could work miracles,
because holiness works miracles. Thank
you.?**

Dear Apostles

by A Friend of Medjugorje

Dear Apostles,

**Our Lady is exposed, through Her
Medjugorje apparitions, as never before in
the history of the Church. Her
Motherhood, Her feelings, Her emotions,
Her pain, how She suffered in union with
us as Her children, how new power has**

**been given to Her from the Father,
meaning that She has been given a new
efficacy. Our Lady exposes another new
revelation about what She will be able to
do on the Earth even when the apparitions
are over. She says: ??I will never leave
you?? These are critical, crucial words in a
world where motherhood is based in self-
fulfillment, materialism and so many
unnatural things. The children of the earth
need to know the Mother will never leave
them for Her own interests, and will never
be distracted from her Motherhood. ??I
will never leave you. I will always speak to
you with motherly tenderness??**

**Our Lady said something beautiful today:
??I laugh with you in your joy?? We have**

no Biblical record that Jesus ever laughed.

In Italian mystic Maria Valtorta's Poem of

the Man-God, which is about the life of

Jesus, Jesus said He never laughed with

adults, only smiled. But He said when He

was with children, He laughed. Could it not

be that though a mother is suffering so

much pain, that she could also laugh with

children in their joy? It would be

impossible, in watching the joys of

children, that they not be the cause of

laughter sometimes. If Our Lady cries

because of our pain, why would it be that

She would not laugh with us in our joyful

moments?

In the Bedroom of Apparitions we have

experienced Our Lady's smile on many

occasions. We have experienced repeatedly Our Lady being very joyful. Sometimes Marija has said Our Lady has come very, very happy. Our Lady has come and looked at us in the Bedroom. In one particular apparition, on February 11, 2009, Marija, describing Our Lady after She had just appeared said that Our Lady looked ?amused? at our behavior. What had happened? Marija had just flown in from overseas for a wedding of two of our community members. It had been kept secret from the Community. When suddenly Marija was before everyone, it was a complete surprise. Everyone was in shock, especially upon finding out that Marija had not yet had her apparition for that day and that Our Lady was going to appear when we prayed, which we began to

do just minutes later. The laughter, tears, joy and amazement continued to be reflected upon the faces of all the Community throughout our Rosary. When Our Lady appeared, She felt and displayed Her amusement at our spirit of joy, and perhaps because She had been in on the secret. ([Visit here for the full story](#))

However, what Our Lady is here for is no laughing matter. Today, Our Lady is increasing the call, a remarkable call, unforeseen only just a few years ago. Yet, it is manifesting larger than could have been imagined or even detected in Her messages over the years. In the messages Our Lady has used the word "apostle" only four times in Her monthly 25th messages to

**Medjugorje Visionary Marija and only
between the years of 1993-1998. Outside of
those dates, Our Lady first mentions
?apostles? to visionary Mirjana on her
annual apparition of March 18, 2000. Then
in 2005, Our Lady says it for the first time
in a second of the month apparition on
April 2, 2005, in a call to us to renew?first
ourselves, then our families?and then we
are to renew the Church. The year 2005 is
significant because it is the first year that
Mirjana began making her second of the
month apparitions and messages public.
From 2005 onward, Our Lady increasingly
has mentioned ?apostles? only in Her
second of the months apparitions, with one
exception, to visionary Ivanka on June 25,
2009. Over the past three years, Our Lady
has mentioned the word ?apostles? in**

almost every second of the month apparition, and often the word appears more than once in a single message. In 55 instances in which Our Lady said the word "apostles", four were in the 25th message, two times were in Mirjana's March 18 annual apparition, one time it was mentioned in Ivanka's apparition. All other instances, 48 out of 55, were in Mirjana's second of the month apparitions.

Today, Our Lady is sending you out as Her apostles. Jesus came to a point when He began to send the apostles out on field trips to evangelise to the people so that He could be their Savior. Our Lady today is beginning to push us out of the nest to test our wings and to mature our flying skills

for the big moment of conversion that will accompany the admonitions. If we are not trained, tested, purified by trials and convert we will not be able to convert others and perform miracles. Our Lady said: My apostles, I need you to show everyone the truth of God. May 2, 2015 My
