

Pope John Paul II: Our Lady's Pope

**Announcement from Vatican about Pope
John Paul II and Beatification. What about
Medjugorje and Pope John Paul II?**

*The following was originally published on
January 14, 2011. It is commonly believed
that Pope John Paul II intervened to save
Our Lady of Medjugorje's apparitions in the
mid-80's. Many bishops have testified to
receiving strong encouragement to go to
Medjugorje from Pope Saint John Paul
himself.*

The Vatican announced today* that the beloved Pope John Paul II (+2005), will be beatified May 1, after Pope Benedict XVI's approval of the needed miracle attributed to his intercession involving a Polish nun miraculously recovering from Parkinson's disease.

A Friend of Medjugorje wrote in 1997:

The visionary Marija asked Our Lady about the newly elected Pope (John Paul). She revealed to Marija that he was Her Pope, and that it was very difficult for him to have been elected. This is very amazing when one considers that after Pope Paul VI died, Pope John Paul I was elected and within 30 days he died!? and then Pope John Paul II was elected!

elected to spiritually rule all Christians and people of the world, anointed and, by divine intervention, saved to assist the Queen of Heaven during the ushering in of a new time. Our Lady's words to the world confirms this clearly, when Pope John Paul II was to visit Zagreb, speaking of the Pope:

August 25, 1994

??Pray, little children, for the health of my most beloved son, who suffers and whom I have chosen for these times??

To the Medjugorje believers, there was no doubt about Pope John Paul's holiness and sainthood. While it is widely known that Pope John Paul II voiced his approval and support for Medjugorje in many public forums, Our Lady of Medjugorje Herself

has said the following:

November 8, 1981

Our Lady appears kissing and lovingly embracing a picture of John Paul II.

"He is your father, the spiritual father of all. It is necessary to pray for him."

And on May 13, 1982 Our Lady of Medjugorje said:

Concerning the assassination attempt on the life of John Paul II:

"His enemies have wanted to kill him, but I protected him."

All of the visionaries of Medjugorje have had the opportunity to meet Pope John Paul II with the exception of Ivan. Ivan

**expressed in a talk in 2005 of his
disappointment in not being able to see the
Pope before his death. However,
Medjugorje visionary Ivan had the
following apparition on April 2, 2005:**

*At Ivan's apparition tonight, Ivan was
recommending intentions to Our Lady when
Pope John Paul II appeared on Her right.
He was smiling, young, and very happy. All
in white with a long gold cape. Our Lady
turned, smiling, to look at the Pope and he
was looking at Our Lady, smiling. Our Lady
then said to Ivan:*

"This is my son; he is with me."

**A Friend of Medjugorje has always said
that with Our Lady and Her Medjugorje**

messages, one can know more about the events of the world than through the world's news outlets. The above message to Ivan is a beautiful example, confirming that Our Lady in Medjugorje revealed Pope John Paul's place in Heaven, five years before it is publicly declared.

*** Pope John Paul II has since been canonized as a saint in the Catholic Church.**
