

7+33=40

**Accompaniment to *Sensus Fidelium*, Part
II, from A Friend of Medjugorje...**

*The following was originally published on
July 10, 2014. It is an accompaniment to
Sensus Fidelium. It comes from a Radio
WAVE transcript. It is a wake-up call not to
grow complacent in following Our Lady of
Medjugorje. It is a fact that we live with
knowing one day the apparitions will end.
How we live the messages today will impact
how great our consolation...or desolation
will be when Our Lady is no longer with us.*

We are to be aware that the 33rd year

anniversary parallels the 33rd year of Christ, His birth to His death?the life span. Many people years ago thought Our Lady would quit appearing at the 10th anniversary. After we went through that, a passage of time went by and as the 33rd anniversary approached, some began to say Our Lady was going to stop appearing on the 33rd anniversary. I never saw that, I never believed that, and indeed Our Lady has not done that. I always felt for a long, long time that we?re going through 40 years. ?Dear children, the Most High is giving me the grace that I can still be with you?? (June 25, 2014). The fact that Our Lady says ?still be with you? is very significant because Christ died and He wasn?t with us in His flesh, as the Man-God any longer. And so Our Lady is saying I?m still with

you. Our Lady is going to appear daily for 40 years, which we've spoken about this for over a decade, maybe two decades almost, when we saw this way, we've entered into the last seven years of Her 40 years of leading us out of the desert. Seven is significant. Have we been doing the 7-7-7?seven Our Father's, seven Hail Mary's, seven Glory Be's to this point to enter this new passage from 33 years to the remaining seven years left of the 40 years; that for each of the seven years we've stored up millions of 7-7-7 sets of Our Fathers', Hail Marys? and Glory Be's? I would say there is significance to that. I would say there is some meaning to that. Because we know the way things are progressing and the way life is going that we're entering into a time of tribulation.

So at this 33 point, these 33 years, we're entering into something in these seven years and what will we see manifest? I can tell you Our Lady said today "discover the wisdom of living," incredible words. She's been coming to tell us how to live a new way of life because this life is under judgment, it's not going to stay the way it is, we won't know life as we've known it. We've said this many, many times. We've been teaching this, we've been preaching this, we've been trying to convince you of this to change your life. Why? Because if you don't you will go down with the life as it exists, which because it is under judgment cannot stand and will not stand.

On October 25, 2005, Our Lady says: "I am a gift to you because from day to day,

Does God permit Our Lady to do this on a daily basis? She tells us right there, from day to day. I've often believed, in the beginning decade or two, Our Lady was not certain that God's going to allow Her to come tomorrow, but I know very strongly that Our Lady is humbly bargaining with God through the prayers She brings to stay with us for 40 years to guide us out of the desert. And now we've entered into this crucial 7-7-7, with seven years remaining of this 40 year trek, that we are going to see a lot of tribulation; we will see a lot of tribulation. So when Our Lady said in 2005 from day to day God permits me?She's going day by day. As long as She's getting people out of Sodom, as long as She's getting people to turn around, okay. ?I'll give you time.? When

that's over, it's finished. And Her goal is to get us and bring people into apostleship, bring people into conversion through this 40 year mark of daily apparitions to prepare us for what world we will enter for Her followers, a promised land, for the others the lost thereof.

Is there a battle between God and satan concerning Our Lady? I can tell you?this seven years, right now, and what you are seeing is that they will try to kill Our Lady's voice by killing Her apparitions all the while they'll think that they will be doing good; by stopping people from being present at the apparitions, coming to the conferences, but it's all driven from the Sanhedrin's self-interest. The slow turning

down of the apparitions, deemphasizing them until Our Lady is squashed and Her followers scattered. This is the plan and its happening and we are seeing it right before us. Don't take this lightly people. If satan can't get it condemned, he'll get it where it's so put down even by Our Lady's followers that you won't hear from Her anymore and Her voice will be squashed. The visionaries' voice will be squashed. You won't hear what you need to be hearing. Sounds impossible; it's not. It's very feasible and this is the plan right now.

Today, of coming here (Medjugorje) for 27 years on the anniversary, was the least amount of priests I saw here at English Mass?six priests. I've seen every year at

least 25-40 priests and more at English Mass, except during the war. That should shake you and satan is coming on every avenue he can to diminish Our Lady, diminish the visionaries, diminish Medjugorje. We can't have Medjugorje and minus Our Lady out and continue it with having the power it has now. Yes, it will go on. We'll be having Mass, we'll be doing things, but Medjugorje's power, its convicting power will be vanished and banished all the while by some thinking they are doing the right thing, even right in Medjugorje. So, yes, satan is very much involved in trying to stop and diminish this. And so Our Lady says, "giving me the grace that I can still be with you and to lead you in prayer towards the way of peace"? Because the world is not going the

way of peace, its going in the opposite direction. ??Your heart and soul thirst for peace and love, for God and His joy.

Therefore, little children, pray, pray, pray and in prayer you will discover the wisdom of living?? Incredible words, simple words if we don?t dive into those words in prayer.

The more we pray, pray, pray, the more we will see, the more we will understand and the more you?ll see this activity of the devil to diminish Our Lady, make Her not so important; use a truth to cancel another truth?you?ve got to be led to Jesus, but not to Our Lady. It?s Jesus and Mary. The Sacred Heart and the Immaculate Heart.

Jesus wants that and Our Lady wants that but many people don?t. That?s why Our Lady said on June 25, 1991: ??There are many people who do not desire to

understand my messages and to accept

**Our Lady said another time, ??accept me,
dear children, that it might go well with
you?? ??Do not reject from yourself the
name of God, that you may not be rejected.
Accept my messages that you may be
accepted??**

**Well, you may say the Word of God is
Scripture. Well, Our Lady said on
December 25, 1996, ??joyfully live the
messages of the Gospel?? Okay, you think,
that?s the Scriptures. Do you think that is
what Our Lady is talking about? Our
Lady?s messages, Marija said, are for
today?s man to help him understand the
Gospel. So, when Our Lady says,
??joyfully live the messages of the Gospel??
is She talking about the Bible itself and the**

Words in the Bible or is She talking about Her messages about the Bible? You think, oh She wouldn't say that. Well, listen to what She says with rest of the sentence: ??joyfully live the messages of the Gospel, which I am repeating in the time since I am with you?? Why is She having to do that? Why can't we just read the Bible? So, when She says messages of the Gospel, She's talking about the messages, Her words from Heaven She is bringing to us about the Gospel because man no longer understands the Gospel. Man no longer understands the Bible. I'm not advocating not to read the Bible. Our Lady said, 'You must read the Bible.' Our Lady's messages, Mary's Gospel, is the preface for the Bible. Because man no longer understands the Bible, man no longer

desires the love of God because he doesn't understand it anymore. Just as Our Lady says, "you even imagine God Himself according to yourselves, and not such as He really is in His love"? And so, we don't understand who Mary is. We don't understand the greatness of the role She's been given, the perfect Creation, the Craft of God's hand, made after everything in nature that He sculptured. The beauty that She holds within Her being that is unsurpassed by anything in creation. God has just made a rough draft in man; Mary is above all that, far superior in Who She is; God's masterpiece. We are to model Her as Christians.
